

BEGIN FEDERAL INVESTIGATION OF STRIKE CONDITIONS

Federal Committees Open
Hearings In Denver, Colo.,
and In Hancock, Mich.

MAKE COUNTER CHARGES

Charges of Violence and In-
surrection Meet Charges of
Illegal Imprisonment, Etc.

TO HEAR STRIKERS' SIDE FIRST

DENVER, Colo., Feb. 9.—Charges of peonage, illegal imprisonment and anarchy were met by counter charges of violence and insurrection at a stormy session of the federal strike investigation committee today. State officials and labor leaders were the witnesses. It was announced that sessions would be held here tomorrow, all intention of going to Trinidad tonight having been abandoned. El Gross, superintendent of the Colorado Free Employment Bureau who previously had testified that he believed peonage was practiced in the coal fields continued his testimony with an attack upon the militia and the military methods of handling the strike situation in southern Colorado. He said that Mario Zeni, arrested as a suspect, was kept awake five days and nights.

"They post soldiers in front of his cell," he declared, "and those soldiers throw water on him and stuck him with their bayonets when he tried to sleep. Zeni afterward was released."

The house committee next called to the stand Adolph Germer, international organizer of the United Mine Workers of America. He testified he was arrested at Walsenburg, head of the days, then released.

"What was the charge made against you," he was asked.

"None, that I know of," was the reply.

Major Edward J. Boughton, judge advocate of the national guard of Colorado, cross-examined the labor leader.

"Don't you know you were held on suspicion of importing arms after the disarmament order was issued?" he demanded.

"You did buy arms, as a matter of fact, didn't you?"

"I did buy arms," calmly replied the witness.

Representative Byrns asked Germer how many guns he had purchased.

"I bought twenty-five or thirty rifles," was the answer. "I got them to protect our property."

No Knowledge of Peonage.

Edward V. Brake, deputy labor commissioner of Colorado testified he had no personal knowledge of the strike. He declared that at the Colorado Fuel & Iron company's steel works at Pueblo, private employment agency charged workers for keeping them in employment and the company deducted this from the wages.

"Why didn't you prosecute the company and stop this illegal practice?" asked a member of the committee.

"Most of these cases are in Huerfano county," he asserted. "It's hard to explain the matters to you gentlemen. But any body who lives in Colorado knows you cannot prosecute anybody in those counties."

Then Representative Evans asked:

"Do you think you have constitutional government in Colorado?"

"Personally I do not."

Judge Jesse G. Northcott of Trinidad, counsel for the operators in cross-examination asked:

"For what length of time has constitutional government not obtained in Colorado?"

"In my judgment, it hasn't obtained since Peabody sent state troops to Cripple Creek in 1904."

The witness then explained he did not mean that constitutional government had been suspended all over the state, but that anarchy had prevailed in the strike regions during the various times they had been occupied by state troops.

Unable to Leave Mine.

At the evening session James Adams, 23, testified he came from Joplin, Mo., to buy land and was induced to go to work in the mines. He said he went to work with a number of others in the mine owned by the Victor-American Fuel Company.

On Christmas day he testified, two companions and himself attempted to escape from the coal camp but were stopped by state cavalrymen after going three miles. He said the militiamen pointed their guns at them and they were compelled to march back to the mine. He remained there five days.

When asked if the superintendent had informed him that he could not leave until he had earned enough money to pay for his tools the witness replied that the official had told him he "could get no money" until he had paid for his tools.

"When you got away, December 30th, did the militiamen try to stop

you?" asked the attorney for the miners.

"No."

"Why not?"

"They were drunk."

"How did you know they were drunk?"

"Well—they got paid off on the twenty ninth and were drunk the next day."

"All of them?"

"No, probably not all."

John Carroll, who said that in coming from Texas to Colorado, he paid railroad fare as far as Texline and "hobbed" the rest of the way was the next witness. He said that when he left the train at Trinidad he was taken in charge by militiamen who tried to march him to one of the southern Colorado mines.

Investigation at Hancock.

Hancock, Mich., Feb. 9.—Federal investigation of the conditions in the copper country was formally instituted today by Representatives Taylor of Colorado, Casey of Pennsylvania and Howell of Utah, members of the house sub-committee on mines and mining. Chairman Taylor in opening the inquiry explained the purpose and invited all who could shed any light on the controversy to appear before the committee and testify.

O. N. Hilton, appearing for the Western Federation of Miners declared that inasmuch as the company had decided the strikers' side would be heard first he would suggest that the causes leading up to the alleged conditions be the first subject of inquiry as necessary to determine the justice or injustice of the miners' contentions resulting in the strike.

Allan F. Rees, senior counsel for the companies said the owners would do everything possible to aid the committee.

The committee decided to take the subjects of inquiry in regular order. Chairman Taylor and Mr. Howell both expressing the opinion that the existence of the conditions alleged should be proved before they could properly inquire into the causes.

William J. Rickard, president of the Calumet local of the Western Federation of Miners was the first witness to take the stand. He gave his age as 44 years, and said he had worked for mining companies since he was eleven years old. He had been in the mine since 1904 when the committee adjourned until tomorrow morning at 9 o'clock.

"We are prepared to show," said Mr. Hilton in his opening statement, "that for a long number of years there have been engaged in the mines boys from 12 to 16 years of age and that there has been an unparalleled condition of affairs. I believe we can show that many who entered the mines as boys, and who have worked all the time up to the present date, never have averaged \$2 a day for their work."

"We will show that it has been impossible for men to get work unless they trade at certain stores," he continued. "When they were hopeless in debt they were denied houses to live in unless they continued to patronize these stores."

Mr. Hilton declared the rate of mortality in these mines was among the highest known in mining.

Mr. Rees vehemently denied such conditions as had been described by Mr. Hilton. The civil rights amendments of the constitution and the civil rights sections of the revised statutes guarantee protection to all citizens in their constitutional rights.

"The right of the laboring man to labor is one of those guaranteed rights."

"Representing not to exceed 25 per cent of the companies without advocates grievances, without presenting any grievances, the Western Federation of Miners instigated the strike," he continued. Rickard the witness was examined by Mr. Hilton as a court trial. He said that he went to work in a stamp mill when 11 years old and was paid \$20 a month.

Eleven Cents for Month's Work.

August W. Kerr, assisting Mr. Hilton interrupted the witness to read into the record a number of notations on miner's pay envelopes which Rickard identified. One of Matt Huhta for 26 days work in Osoola mine in June, 1910, called for \$1.61.

Mr. Hilton called for \$1 for hospital and fifty cents for the aid fund. "I acted monthly the miner received 11 cents for his month's work, it was illegal. At the opening of the hearing Chairman Taylor read a letter he had received from Governor Ferris declining an invitation to attend the hearings. He said he did not think the governor's letter required an answer.

MANNING AND SISTER CHARGED
WITH CONCEALMENT OF MURDER

Hazel Herdman, the Veiled Woman
Who Killed Mrs. Manning,
and the Victim are Both Buried in Newark.

Newark, N. J., Feb. 9.—Charging concealment of the crime of Hazel Herdman, the veiled woman who last Friday shot and killed Mrs. Marjorie Manning, the police today arrested Charles I. Manning, husband of the murdered woman and Mrs. Saldee E. Garbrant, Manning's sister. After a severe examination lasting five hours Manning and Mrs. Garbrant were taken before Police Judge Frederick Gehring in the second criminal court for arraignment. Each was held in \$5,000 bail. Mrs. Garbrant had been detained as a material witness but later she was held on the same charge as her brother, violation of section 20 of the criminal act which provides that non-disclosure of knowledge of a murder is a misdemeanor.

While under examination by the police Manning begged permission to attend the funeral of his wife but was refused. Hazel Herdman, who committed suicide by taking poison, also was buried last night.

Early tonight Mrs. Garbrant secured bail.

STATE DEMOCRATS IN CAPITAL CITY LAUNCH WILSON-BRYAN CLUB

Democrats Gathered In
Springfield Hear Speeches
by Sen. Owen and Others

WANT PROGRESSIVE MAN

Owen Admonishes Democrats
to Choose Senator In Accord
With Wilson's Policies

BUSINESS SESSION TODAY

SPRINGFIELD, Ill., Feb. 9.—Democrats from all parts of Illinois tonight met at a banquet organized by the Wilson-Bryan league and listened to speeches by United States Senator Owen and others in regard to choosing a senator from Illinois to succeed Lawrence Y. Sherman.

Senator Owen did not mention the names of any of the several Democrats for nomination for senator but admonished the Democrats of Illinois to name a Progressive man who would be in accord with President Wilson's policies.

Committees Named.

The executive council of the league named the following committees. Membership and finance—Woodruff Saul, Chicago; Kent E. Keller, Ava; A. T. Lucas, Virginia.

Campaign—Walter Niebuhr, Lincoln; Henry A. Foster, Fairbury, Vincent J. Dallman, Springfield.

Four additional members of each committee will be selected later one to be chosen by each of the four candidates for United States senator present.

George Sykes of Chicago presided at the banquet and introduced the speakers. Senator Robert L. Owen of Oklahoma made the opening address.

Party and election machinery by which a highly organized minority could control the majority of their party members has been the greatest weakness in governmental progress according to the senator from Oklahoma.

Senator Owen declared that in any cases, the primary law had failed to insure government by majority because friends of machine government had injected jokers in the laws giving subtle advantages to an organized majority.

"Such primary laws," he said, "would not for example provide for majority nominations, even of the senatorship in Illinois but mere plurality nomination while the unorganized majority of unselfish Democrats would be divided into a number of groups by including Progressive Democrats who had ambition to serve the state to enter the list as candidates. A highly organized, strenuous minority would have a peculiar advantage in an unorganized Progressive majority."

"The preferential ballot will produce party harmony; defeat the machine candidates; strengthen the party by nominating the party's best man, and thus promote integrity of government."

"There being no preferential ballot in Illinois the Progressive candidates who in all probability will control over two thirds of the Democratic vote are under the serious disadvantage of this plurality system and the senatorship itself will thus be jeopardized."

Others who spoke, all candidates for United States senate were State Senator W. Duff Piercy, Mt. Vernon; John Z. White, Chicago; Frank D. Comerford, Chicago; Carl Vrooman, Bloomington.

A business session of the league will be held tomorrow morning at which time plans for the campaign will be taken up. During the afternoon Senator Owen called upon Governor Dunne but both said that the senatorship was not discussed.

Seated at the speaker's table at the banquet were: John Z. White, Chicago; W. Duff Piercy, Mt. Vernon; Edward F. Poorman, Mt. Vernon; Carl Vrooman, Bloomington; H. W. Clendenin, Springfield; Kent Keller, Ava; Samuel Adams, Chicago; R. R. Thompson, Kent; Dr. James M. Bell, Rochester; W. A. James, McComb; R. W. Hulley, Compton; James Hicks, Monticello; Frank V. Dilatush, Monticello; Thomas Cain, Seymour; Nicholas Lindsay, Springfield; George A. Fields, Isaac Hudson, George A. Dougherty, Pearl Wolfe and Chas. J. Surhes and James W. Sanders, Sullivan, Ill.; Arthur B. Chance, Urbana, Home Shaw, Bement.

State Senator W. Duff Piercy declared it would be a mistake for the Democrats to nominate Roger C. Sullivan of Chicago for United States senator. He said:

"The John The Baptist of Democracy is Bryan. For twenty years out of the silence of indifference and opposing reaction he has been a voice crying in the wilderness. I am not here to eulogize Bryan but to declare my firm belief that the Democrats of Illinois will not send to Washington a reactionary Democrat."

He is hopeful that the experiment will prove the fore-runner though not perhaps in the present generation of wireless power for the lighting and heating of houses.

BITTER CAMPAIGN INVOLVES DENVER'S WATER SUPPLY

Campaign in Western City Passes
From Stage of Discussion to That
of Personal Encounter.

Denver, Colo., Feb. 9.—The bitter campaign which will end Feb. 17th, at a special election when the voters will pass on the proposition involving Denver's water supply, today passed from the stage of heated discussion to that of personal encounter.

The clash took place between Thomas J. O'Donnell, prominent Democrat of Colorado and F. G. Bonfils, partner owner of the Denver Post, as the two men entered the county court house to attend a hearing in the suit in which Bonfils, as a stockholder, sought to have the Denver Union Water Company enjoined from using money for "political purposes."

In the melee several blows were struck before friends and spectators could separate the combatants. A few hours later O'Donnell was arrested on a capias issued in the criminal division of the district court where direct information was filed charging him with assault with intent to kill. Bond was furnished in the sum of \$2,500.

When the encounter ended O'Donnell bore a bloody gash on his cheek, the result of a blow struck by Bonfils, he says, while O'Donnell held a loaded, but discharged revolver was taken from him and handed to his son.

BISHOP OF LONDON MAKES
ANOTHER SURPRISE VISIT TO JAIL

States That Forcible Feeding of
Suffragette Does Not Appear to
Hurt Her.

London, Feb. 9.—Another surprise visit to Holloway jail to investigate the conditions under which two militant suffragettes, Miss Kitty Merion and Miss Phillis Brady are incarcerated there was made today by the Bishop of London in response to a request from the women's social and political union, the militant organization.

Miss Merion is serving a sentence of three years penal servitude for arson and Miss Brady is awaiting trial on a similar charge.

The bishop in his report says: "Miss Merion feels much aggrieved at being forcibly fed instead of being released under the Cat and Mouse act. As a protest against her continued imprisonment, she always gives four or five shouts or screams when subjected to the operating, but she does not look ill as the result."

Both women refused to promise to refrain from militancy in case they were released.

SHELBY CULLOM WILL DIVIDE
PROPERTY VALUED AT \$40,000

SPRINGFIELD, Ill., Feb. 9.—Property valued at \$40,000 was divided among three heirs in the will of Former United States Senator Shelby M. Cullom which was filed in the probate court today. The will drawn in Washington, D. C., in 1911, gives \$15,000 to Miss Victoria Fisher sister of Mrs. Cullom. The remainder is to be divided between Catherine Cullom Brown, wife of Phillip Brown of Springfield, Mass., and Eleanor Cullom Ridgely Parker of Washington, daughter of Eli Cullom Ridgely.

J. Otis Humphrey of Springfield was named executor without bond.

SONORA TRAVELERS PREDICT GENERAL UPRISING OF INDIANS

Travelers Bring Reports of
Increasing Activities of
The Yaqui Indians

REBELS TO CHIHUAHUA

Force of Sonora Rebels Will
Leave Agua Prieta for Chihuahua City About Feb. 20th.

RECRUITING AGENTS BUSY

DOUGLAS, Arizona, Feb. 9.—Travelers arriving from interior points in the state Sonora today brought reports of increasing activities of the Yaqui Indians and a general Yaqui uprising was predicted.

Between six and seven hundred Indians were said to be in the fields holding up ranches and robbing pack trains in the Arizpo and Sahuarapa districts of the states. The Indians were reported particularly active in the Yaqui basin. The Yaquis traveled in bands of one hundred or more travelers assert and in their operations made good use of the military knowledge acquired during their service in the various revolutionary armies.

Where victims offered no resistance it was said the Indians did not kill but instead stripped captives of everything and sent them into the nearest settlement.

Will Leave for Chihuahua.

Douglas, Arizona, Feb. 9.—A force of 6,000 Sonora rebels under the personal command of General Alvaro Obregon and accompanied by General Carranza will leave Agua Prieta about February 20th and march into Chihuahua by way of Ojinaga Pass and Casas Grandes according to Col. P. E. Calles, a member of General Obregon's staff.

Constitutionalist recruiting agents are reported at work among the Mayo and Yaqui Indians in an effort to reinforce the rebel force in the state to 6,000 men.

May Resume Mining.

Juarez, Feb. 9.—A resumption of mining and other industries in rebel territory was promised by General Villa here today after he had conferred with many American business men whose interests are affected.

Regular train service between this city and Chihuahua will be resumed in a few days the general said and the transportation of supplies to the mines and smelters will be facilitated.

Smoke Delays Progress.

Cumbre, Chihuahua, Mexico, Feb. 9.—A rude wooden cross was carried today at the south portal of the Cumbre Tunnel where fifty one persons perished in a train wreck last Wednesday.

Senor Reguena, who was recently arrested by the Mexican authorities on the charge of being implicated in a plot against the government but later was released said that he was not expelled from Mexico by President Huerta, but that he left on his own accord. He will remain here several days and will then proceed to New York.

REVENUE CUTTER ORDERED TO
RESUE OF NAVY TUG POTOMAC

WASHINGTON, Feb. 9.—The Revenue Cutter Androscoegin was ordered today from the Maine coast to the bay of Islands to rescue the navy tug Potomac, caught in the ice packs where she had gone on a mission of succor to ice imprisoned fishermen.

The Potomac left Lark Harbor last Thursday. Officials think she is caught in the ice and will only a low pressure wireless apparatus cannot tell of her plight. She carried a crew of 36.

The tug was sighted Saturday in an ice bow five miles west of Bay of Islands. Observation from shore has been prevented since that time by a snowstorm.

(When the Potomac abandoned her attempt on Thursday to liberate ice bound fishing vessels, she was short of coal and was using her reserve supply.

DIES AT PASADENA.

Chicago, Feb. 9.—Phillip Primley who acquired a fortune through the manufacture of chewing gum died today at Pasadena, Calif., according to word received at his home here. Platform Policy "MISTAKE"

WASHINGTON, Feb. 9.—Repeal of the provision of the Panama canal act exempting coast-wise ships from tolls favored by President Wilson is to be made a subject of consideration and action by a Democratic caucus of the senate.

That this would be a wise and necessary course in interest of party harmony and the nation's foreign policy is the conclusion of administration senators who have discussed the subject with the president within the last few days. How soon the caucus will be called has not been determined but several senators today frankly asserted that the Democrats would get together to weigh the situation as presented by the president and settle for themselves the whole controversy. The fact that the Democratic party favored the toll exemption policy at the Baltimore convention, these senators and President Wilson hold should not be a subject of open controversy at this time because conditions involved in the tolls question have changed since that time. The point to be settled is whether the policy of tolls adopted by the nation through the action of congress should be reversed regardless of the declaration in the Baltimore platform. President Wilson has made it clear to the senate and house leaders that he is not attempting to force congress to reverse itself. He has outlined the country's situation with respect to foreign relations and his belief that a reversal of the policy on the tolls question would be the best thing.

One senator said today there is a general understanding in congress that the shaping of the country's foreign policy should be directed by the president and that congress must follow him whenever legislation affects that policy. For this reason the feeling is, that the tolls question should be discussed in a party caucus.

As a fore runner of this step, Senator Stone of Missouri who is confined to his home by illness addressed some poignant comments on the controversy in a letter to Senator Kern as chairman of the senate Democratic caucus.

Referring to the discussion of the question with reference to the toll blank of the platform as a "joker" Senator Stone called such a suggestion "utterly puerile" though admitting that only a small percentage of the members of the convention had more than a partial knowledge of the subject. "It does not seem to me," the Missouri senator continued, "that there is the least reason for starting a 'joker' about his platform. The declaration is in the national convention. That proposition might as well be taken as settled and therefore it is not a 'joker'."

"The trouble is that the time has come when many good men and good Democrats think that the policy outlined in the platform was a mistake and that the nation cannot in honor or good faith adhere to it. Manifestly the honor and good faith of the American people are of greater consequence than a mere dogged adherence to a declaration in a party platform on a question of purely public policy. If those who drafted the platform or those who adopted should be convinced that the nation cannot honorably and in good faith carry out the policy proclaimed in the platform then those so believing would not well do otherwise than to give a frank declaration of their purpose to follow a contrary course."

SENATE PASSES BILL TO
REVISE THE ARTICLES OF WA

Under Provisions of Bill Fort Leavenworth Would Cease to be a Federal Penitentiary.

WASHINGTON, Feb. 9.—Revision of the articles of war—the military law of the United States that has stood unchanged since 1806—is proposed in a bill passed today designed to vote by the senate today designed to make the soldier guilty of purely military offenses an object of reformatory discipline instead of a penitentiary convict with the criminal stamp upon him.

Fort Leavenworth, Kans., would cease to be a federal penitentiary under the terms of the bill and hereafter would be known as the United States military detention barracks. The prison would be remodelled after the English army disciplinary institution at Aldershot, and no soldier or civilian convicted of an offense punishable by penal servitude might hereafter be confined there.

Military prisoners under suspended sentence quartered in the detention barracks would be organized into military commands and their training kept up where prison conduct warrants is the opinion of the secretary of war. Honorable restoration to the army, or permission to reenlist without prejudice if the enlistment had expired would follow good behavior.

The jurisdiction of courts martial would be considerably broadened under the proposed new code extending to capital offenses in time of peace which are beyond the reach of civil laws.

On spies in time of war only would the death sentence be mandatory under the new code and a two thirds majority of the court martial imposing such sentence would be required instead of a bare majority.

ACCOUNTS OF MEMPHIS BANK
ARE SHORT ONE MILLION DOLLARS

MEMPHIS, Tenn., Feb. 9.—With the discovery tonight that \$527,826 listed as actual cash on hand when the bank closed its doors, \$410,000 was represented by the personal checks of the president, C. Hunter Raine now imprisoned charged with embezzlement, the amount of the apparent discrepancy in the accounts of the Mercantile bank here advanced to more than a million dollars.

The exact amount will not be known until the audit being made under the direction of J. L. Huston, state superintendent of banks is completed. This will require several days.

SPRINGFIELD WILL ENTER TOURNAMENT HERE

Capital City Lads Expect to Carry
Away Honors in District Meet—
Students in Business Session.

The victory over Springfield high in the basketball contest Saturday night was celebrated yesterday in a mass meeting by the J. H. S. students. The basketball boys were called to the platform where they made speeches and made a talk. At the business session in the afternoon Miss Marian Russell was succeeded as secretary of Students' association by Miss Gladys Uzzell. Byron Carpenter, who was named president of Adelphi society resigned as manager from that society for the students association and Robert Nesbit was elected in his place.

Springfield Comes Here.
Springfield has decided to enter the basketball tournament which will be held here the last of February. The tournament promises to be one of the fastest of the season. The district meets held in the state, a number of schools of this section are reported fast. Coach Buland has his men hard at work and they say the team has been going recently will make them strong contenders for the honors.

Lanes Crossed on State Champs.
The sport writer on a Springfield paper in speaking of the game here Friday night went on to speak of championship honors in basketball by saying: "It will be hard to pick a championship basketball team for high school this year, is the belief of central Illinois coaches. Nearly every team has been defeated, and they say that no team can claim honors with a loss to their credit. Of course the coach at Jacksonville was not aware of this when he tried to claim the championship for his football team last year."

The facts of the case are that it will not be very hard to pick a championship team this year in basketball for the simple reason, as every well informed basketball man knows that there will be held the latter part of February, seven district tournaments, each tournament to be represented all the way from six to fifteen schools. The winner of each tournament will meet after this in a final tournament and the winner here will be the state champion.

Kid Gloves you can wash with soap and water, dry on the radiator and still not injure are shown in Tomlinson's window.

CUT HAND BADLY.
While stropping a razor recently J. M. Butler of the Butler & Cull barber shop in some way let the instrument slip from his hand. He attempted to catch it and in doing so cut two fingers of his right hand clear to the bone. The keen edge was driven with such force against the bone that the razor blade was nicked.

CITY COUNCIL HELD USUAL MONDAY MORNING SESSION

New Park Board Members Named
by Mayor Davis—Tax Levy Ordinance Given First Reading—Printing Contract Awarded Journal Company.

At the Monday morning session of the city council Mayor Davis appointed a new park board, the city contract for printing was awarded to the Journal on the basis of circulation, the annual report from the water department was presented and some other matters received attention.

After usual formalities of opening a communication was read from Matt Hart Post signed by C. E. McDougall thanking the council for having some work done free at the cemeteries with reference to head stones on older graves.

A communication was received from J. B. Shaw complaining because in 1913 had not been placed on the east side of North Diamond street north of Walnut street. On motion of Mr. Knollenberg with a second by Mr. Brennan the street commissioner was instructed to have markers placed there.

A letter of appreciation was read from O. W. Spaulding, superintendent of streets thanking the council for flowers sent at the time of Mrs. Spaulding's funeral.

Mr. Knollenberg said that a telegram from the Shaw Machinery company stated that their representatives would be here today to talk about making a well on the Widenham & Daub lands.

The annual report of W. H. Cobb, Water Supt., was presented and is given below in full.

New Park Commission.
Mayor Davis nominated the following persons to be Nichols Park commissioners to serve for a period of three years, S. W. Nichols, Geo. V. Imgrund, W. H. Anderson, Joseph Jones, and T. J. Brennan. Mr. Newman said he thought it was a mistake to let some of the old commissioners out. There was no other discussion on the nominations and the commissioners were confirmed by a vote of four to one.

Mr. Engel said that he was informed by the City Health Warden that conditions are very much improved and that the epidemics of sore throat and other troubles which threatened is now much more favorable.

Printing Contract Awarded.
A communication was read from the Journal Company, setting forth that in making a bid for the city printing contract that in the circulation statement given the local and out of town figures were not separated. It was stated that the Journal's circulation delivered by city carriers, is 2,400. The bids for the city printing on which action had been deferred were then considered. The carrier's bid was \$85 based on the circulation locally of 1,500 and the Journal's bid was \$104 based on local circulation of 2,400.

Mr. Knollenberg said that he would make a motion that the contract be awarded to the Journal. Mr. Brennan offered a second to this motion. Mr. Newman asked about the law and the mayor sent to the clerk's office for a copy of the law and read the section covering the matter which says that in awarding the contract, local circulation is to be a determining factor.

Mr. Newman offered an amendment to the motion that the contract be awarded to the Courier. There was no second to this motion and the original motion to award the contract to the Journal was put and carried. Mr. Newman voting with the other four in favor of this motion.

Tax Levy Ordinance Printed.
The tax levy ordinance providing for general taxation for the fiscal year which began Jan. 1st was read. The various funds set forth are the same as outlined in the appropriation ordinance and total \$229,800. Section 3 provides \$5,000 for the public library; section 4, \$5,000 for the park system; section 5, \$4,200 for interest on refunding bonds; section 6, \$5,000 for the sinking fund. The ordinance was laid over under the rules and will be passed at the next regular meeting of the council.

The mayor called on W. F. Gilman, who was present. Mr. Gilman is district superintendent for the Central Illinois Public Service Corporation which is opening offices here. He said that he had nothing special to present but appreciated the cordiality with which he had been met and hoped that whatever relations there may be between the company and the council will be at all times the most cordial.

Talked About Paying.
Mayor Davis said that he believed Mr. Gause had something to say to the council and Mr. Gause stated that he simply wanted to suggest to the council that he believed it would be an opportune time for the Board of Local Improvements to take up with the State Board of Administration the question of laying a concrete walk on Michigan avenue, from Main street to Diamond street and also for the paving of West Morton avenue. Mr. Gause said it had come to his notice that the state board now has \$1,000,000 in the building fund which made him believe the time opportune for conferring with them.

Mr. Gause also made a suggestion about keeping a record of water pipe taps made so that in future years it can readily be told when a line is being overtaxed.

Mayor Davis said that the board of local improvements a year ago had been able to get the board of administration to set aside \$10,000 for re-toping South Main street, and that a special fund had to be created for the purpose. He did not believe that money could be taken from the board's building fund for paving or sidewalk work.

Water Department Report.
Jacksonville, Illinois,
February 7, 1914

To the Honorable Mayor and Com-

missioners of the City of Jacksonville, Illinois.

Gentlemen:
Your undersigned Water Superintendent of the City of Jacksonville, Illinois, begs to submit his Annual Report for the year 1913, which is as follows to-wit:

Total amount collected for year 1913	\$32,079.88
Total amount collected for water exclusively	\$31,269.16
Water Rent Collected 1913.	
January	\$2,424.37
February	2,255.12
March	2,192.96
April	2,413.06
May	2,667.27
June	2,622.76
July	2,282.81
August	2,850.36
September	3,167.65
October	2,697.29
November	3,119.45
December	2,566.15

Total amount collected for water 1912	\$27,842.98
Amount collected for 1913	31,269.16

This shows increase of \$ 3,426.18

Total amount collected in this department 1913	\$32,079.88
Total amount collected in this department 1912	28,774.84

Showing an increase in 1913

1913

This makes a monthly average of \$2,605.76 for water alone, making an increase of about \$285.52 per month over the year 1912 which was at that time the largest year on record.

The following are the amounts received for meters, taps, meters repaired, junk sold:	
Meters sold	\$578.00
Taps sold	72.00
Meters repaired	147.52
Junk sold	13.20
Total	\$810.72

The following are the expenditures of this department for the year 1913:

Pay rolls including fuel, power, supplies, etc.	\$16,426.45
Postage and express	143.86
Total amount expended	\$16,569.81
Total income from all sources	\$32,079.88
Total amount expended	16,569.81

Net receipts for year \$15,510.07

Minor improvements have been made under the direction of this department at both pumping stations; also repaired reservoir and all visible leakage is stopped.

All fire hydrants of the city have been flushed twice this year and at this time are in good repair.

We have also removed nine (9) of the old wooden valve boxes and installed in their places sectional concrete boxes.

Widenham and Daub Wells.
We started the Widenham & Daub wells on the 7th day of August, and have pumped them continuously up to and including the present time. These wells have undoubtedly been a great value to the city this year as on account of the long continued drought with their assistance we have been able to run the entire season without cutting off any consumers whatever; with the exception of the sprinkling wagons for a short time which was nearly at the end of the season.

While these wells have added an extra expense to this department we feel that they have been well worth the expenditure as without them we would undoubtedly have been short of water and in the same condition as many cities in the state.

With the exception of the machinery at the old pumping station I consider my department in first class condition in every respect.

Respectfully submitted,
W. H. Cobb,
Water Supt.

NOTICE.
I will not pay or be responsible for any bills hereafter except those made personally by me.

BOILERMAKERS HOLD ELECTION AND SMOKER

At a regular meeting Monday of the Jacksonville Boilermakers Union No. 415, the annual election of officers was held after which the time was spent at a smoker and social hour. The officers:

President—Walter J. Quinlan.
Vice president—T. E. Massey.
Financial and corresponding secretary—Frank McKinney.
Recording secretary—Thomas Rice.

Treasurer—William Craddock.
Inspector—Leo Hagerty.
Trustees—R. Dressendorfer, George Grosspitz and William Eyles.

TO HOLD BANQUET.

The men of the M. E. church at Murrayville are planning for their annual banquet which will be held Tuesday evening, Feb. 17th. Dr. F. A. McCarty, Dr. J. R. Harker of this city are among the speakers, also Rev. Mr. Gilmore of Petersburg. The social committee is working on a program of music and a genuine social time is anticipated. The banquet will be served at 7 o'clock.

RETURN FROM VISIT.

Mr. and Mrs. Edward Harmon, of 705 North Diamond street have returned from Lexington, Jackson and Huntington, Tenn. This is their old home and they have been visiting there since early in December. They report a most excellent time.

Recognized Advantages.

You will find that Chamberlain's Cough Remedy has recognized advantages over most medicines in use for coughs and colds. It does not suppress a cough, but loosens and relieves it. It aids expectoration and opens the secretions, which enables the system to throw off a cold. It counteracts any tendency of a cold to result in pneumonia. It contains no opium or other narcotic, and may be given to a child as confidently as to an adult. For sale by all dealers.—Adv.

SPLENDID LECTURES HEARD AT ILLINOIS WOMAN'S COLLEGE

Prof. E. H. Griggs of New York appeared in Artist's Course—Discussed Functions of Sculpture and Painting and "Art for Life's Sake."

A rare treat was afforded the holders of tickets in the entertainment course at the Woman's College yesterday in the two lectures delivered by Prof. E. H. Griggs of New York. The gentleman is a peculiarly fluent and ready speaker and is by profession a writer on art and has certainly studied his subject to some purpose. His theme in the afternoon was the "Meaning and Function of Sculpture and Painting" and in the evening it was "Art for Life's Sake."

It is well nigh presumptuous for an ordinary layman to attempt anything like a report of such an effort for the entire addresses were so condensed as to admit of no further boiling down. A few sentences are given:

"The shrine at which all artists must worship is that of life. Life is always a fresh equation of old forms and factors. You read in a newspaper an item which tells of the shutting down of a factory and throwing 600 men out of employment. The next item may tell of some unimportant event and each makes about the same impression on you but if you live next door to an operative and know him well and see him look sad and dejected as he wanders about seeking employment or food for his family your attitude toward the affair is very different."

"All art is an expression but all expression is not art. It may directly offend the sensibilities and yet be true art. The great Tennyson wrote:

"And glisters through the drizzling rain,
Down the long street broke the blank day."

"These words taken separately are not pleasing but handled by the master who wrote them are true art. It inevitably interprets life. If you make a kodak picture of a familiar scene you examine the surroundings and seek the best place at which to make the negative. All views of art lift us to the mountain peak. If a half hour each day could be devoted to listening to good music in our public schools it would be time well employed."

"The more beautifully we express our thoughts the greater our success."

"The artist who is satisfied with his work is at the end of his career. We cannot create but we may take a fragment here and there and mould all into a beautiful whole. The art of living is great and grand. Every aspect of our lives may be art."

"If art is treated as it should be not only for adornment but to enrich and ennoble life it would prove one of the grandest blessings bestowed upon man."

The effort of the distinguished speaker delighted all who heard him.

DISTINGUISHED LADY DEAD.

Mrs. Frances E. Lodge of Decatur was Acquainted With Great Emancipator.

A distinguished lady, Mrs. Frances E. Lodge died recently at her home in Decatur. During her girlhood she was personally acquainted with Abraham Lincoln and distinctly recalls incidents in the life of the great man.

After he had been nominated for the office of president, her mother, her uncle Joseph Foster and herself went to the office of Mr. Lincoln to see him and wish him success in the campaign.

As they rose to go, Mrs. Lodge, who was then a girl of seventeen, reached out her hand to him and said:

"Goodbye, Mr. Lincoln, I hope you will not have to split any more rails."

The great man smiled and said he might have harder things to split.

Mrs. Lodge at one time lived in Monticello, Platt county, and it was there that Mr. Lincoln was visiting when the incident narrated above took place. There she was known to Mr. and Mrs. W. R. Brittenham of this place to whom the Journal is indebted for a paper containing an account of Mrs. Lodge's death.

"FIREFLY" WELL RECEIVED IN DAVENPORT.

The Journal Monday received the following telegram dated Feb. 8 from Alf O'Hearn, dramatic editor of the Davenport (Iowa) Times:

"The 'Firefly' captivated two large audiences at the Burts here this afternoon and evening. Its music is fresh, merry and decidedly tuneful. In little Edith Thayer, Arthur Hammerstein has resurrected a talented miss who is destined to scintillate in higher operatic fields in the not far distant future. She indeed is a worthy successor to Trentini. She sings beautifully, she is coy, winsome, vivacious, and her work is marked by an enthusiasm that makes her triumph complete. She is assisted by a capable cast. 'The Firefly' can be recommended to lovers of the best operettas."

AN UNUSUAL DISPLAY.

The display of kid gloves and soap in Tomlinson's window is attracting a lot of attention. A placard explains that this particular kind of dressed kid glove can be washed with soap and water and then dried on a radiator without in any way injuring the leather.

G. B. ANDRE SAID TO HAVE DECLINED PRESIDENCY

Does Not Feel That He can Undertake Duties of Office to Which He Was Recently Chosen—Talk of Other Possibilities for Business Organization Head.

It was rumored yesterday afternoon that G. B. Andre, who was recently elected president of the Chamber of Commerce had addressed a letter to the organization declining the position. Mr. Andre was not interviewed but it is understood that while he appreciates the honor shown him that he feels that he, because of business and health reasons cannot devote the time to the office which the proper performance of the duties would require. The opinion was general among members that Mr. Andre would fill the office with acceptance and there will be regret that he has declined.

Among the names which have been prominently mentioned for the position are Harry M. Capps, John I. Reeve, T. M. Tomlinson, Henry Frisch and Frank J. Waddell and other names may be mentioned tonight when the directors meet.

Kid Gloves that can be washed with soap without injury are shown in Tomlinson's window.

WILL GIVE ADDRESS.

The members of the T. P. A. U. C. T. and other traveling salesmen of the city have been invited through the librarian Miss Webber to attend the lecture this evening at the library at 7:45 on the subject: "The Art of Salesmanship", to be given by C. S. Smith of the International Harvester company.

WILL LIVE AT WOODSTOCK.

Mr. and Mrs. Wilber C. Hitt left yesterday for Woodstock where Mr. Hitt has secured a position with the Oliver Typewriter Co. He will play solo cornet in the company's band and will also have some other work for the company.

WATER DEPARTMENT MAKES GOOD SHOWING IN PAST YEAR

The annual report presented to the council yesterday by W. H. Cobb, water superintendent indicates that the department is being conducted on business principles. The showing is certainly very creditable to the superintendent and to J. F. Brennan who is in charge of the water department. The figures indicate that for the year the total collections for water were \$3,326.18 in excess of the collections for 1912. After paying all the expenses of the department the profit for the year was \$15,510.07. This total emphasizes the statement made by Mr. Brennan that if the money made by the water department could be expended in developing the department that in a few years time the city could have an extensive and complete system.

SOCIAL EVENTS.

Mr. and Mrs. Carl S. Hillerby entertained the clerical force of the Hillerby dry goods store Monday evening at a six o'clock oyster supper in celebration of the passing of the six hundred mark in the whirlwind Delineator subscription campaign. Mr. Hillerby promised the supper when the campaign was initiated and the event has been the subject of much pleasurable anticipation. The oysters were prepared and served in the rear of the store just after closing. The party adjourned then to Scott's theatre and each one departed thence for his or her home with the remembrance of an evening pleasantly spent and a fitting reward for work well done.

Mr. and Mrs. Jerry Ring entertained a number of their neighbors and friends on Sunday evening at their beautiful country home southwest of the city. An elegant three course supper was served, after which a most enjoyable evening was spent. The guests were enthusiastic over the hospitality of the Ring home.

A surprise dinner was given recently at the home of Mr. and Mrs. Fred R. Wallbaum in honor of the 44th birthday of Mr. Wallbaum. At the noon hour a sumptuous feast was spread and the excellent menu clearly demonstrated the ability of Mrs. Wallbaum in the culinary line. Aside from the dinner a genuine social time was held. Many and sincere birthday wishes were extended. Mr. Wallbaum and he also received a number of nice gifts. Among those present were Father and Mother Wallbaum, Arthur Newman and family; William Wallbaum and family; Peter Wallbaum and family; Charles Bennett and family of Orleans; Mrs. Charles Hagen, Charles Hermes and family.

WILSON'S OPPOSITION TO TEST COMMUNICATED TO COMMITTEE

Chairman of Senate Committee on Immigration Confers With President.

Washington, Feb. 9.—President Wilson's opposition to the literacy test as a restrictive measure on immigration has been communicated to the senate committee on immigration, which has before it the Burnett bill as passed by the house. The president's attitude was not volunteered but solicited by direction of the committee which authorized its chairman, Senator Ellison D. Smith of South Carolina, to confer with the chief executive. Senator Smith has discussed the matter with the president several times and made a report to his colleagues. Today he had another conference at the white house and will discuss it at a meeting of the immigration committee tomorrow. The senator would not talk today about his visit to the white house, but he emphasized his own determination to steer carefully the immigration legislation by the house.

"In my judgment," said Senator Smith, "and it is a judgment held also by many Democratic and Republican senators, there is no more important legislation before congress than this immigration bill. What we do toward reforming our immigration laws is of utmost importance not only to our own nation, but to the whole world."

Beginning tomorrow the senate committee will hold daily sessions until it completes its work on the measure. As to the restrictive features the committee proposes to issue a statement probably tomorrow, after the chairman has reported on his latest conference with the president.

PLAN FOR REORGANIZATION ALONG PROGRESSIVE LINES

Plans for Rejuvenation of New York Democracy are Submitted to President Wilson.

Washington, Feb. 9.—Plans for the re-organization of the New York State Democracy along progressive lines were submitted to President Wilson today by Governor Glynn and W. F. McCombs, Democratic national chairman. They found the president in hearty accord and left here tonight ready to begin their work in welding the various elements in the Empire State Democracy into a harmless organization, to take up the fight for national administration in both the primaries and elections next fall for the members of the house of representatives and the United States senate.

Just what the plans laid before the president contemplates was not made public.

William Church Osborne, Princeton '77, and a close friend of the president had been agreed upon by Governor Glynn and Chairman McCombs for the chairmanship and they said today that their appointment had met hearty approval of President Wilson.

SEYMOUR FAMILY REUNION

WAS HELD SUNDAY

Large Company Gathered at Home of Mr. and Mrs. Jarrett Seymour —Family Prominently Identified With County History.

Sunday at the pleasant home of Mr. and Mrs. Jarrett Seymour, 109 East College street there was a delightful family reunion which was much enjoyed by all who had the pleasure of being present. Several of the sons residing at distances were in the city or county and it was deemed a good plan to get together with the aged parents and the affair was a complete success, the only lack being the absence of a son and a granddaughter living in St. Paul, Minn., and of course too far away to come to the gathering. The day was spent most happily and Mr. and Mrs. Seymour fully enjoyed being surrounded with loved ones to the fourth generation. Many beautiful reminiscences were enjoyed and in imagination all the children were young again and listening to words of wisdom from the lips of revered parents and it is safe to say that none behaved badly enough to be sent to bed, stood up in the corner or taken into the woodshed and made to sit down rapidly on a peach tree switch.

The days of childhood in Franklin were talked over and many incidents rehearsed and the day passed away all too rapidly for the ones present.

Of course it is unnecessary to add that a bountiful dinner was much enjoyed by the company for the ladies of that family are famous cooks, the daughters have all been taught the art of housekeeping as it should be and the sons who sought helpmeets were equally fortunate. Good appetites enabled all to enjoy fully the good things before them and all were ready to acknowledge the excellent quality of the feast.

Those present were Mr. and Mrs. Seymour and daughter Julia, at home, Mr. and Mrs. Wilbur Seymour of Rush City, Minn.; Thomas E. Seymour of Superior, Neb.; Mr. and Mrs. Harry W. Seymour of Jacksonville; Mr. and Mrs. Henry E. Seymour of Murrayville; Mr. and Mrs. Charles E. Seymour of Jacksonville; Leonard V. Seymour and wife of East State street, Jacksonville; Lizzie, Mrs. F. M. Spires of Franklin; Hilda and Eva, daughters of Mr. and Mrs. Harry W. Seymour of Jacksonville; Harry W. Seymour of Jacksonville; Clea, Flynn, who lives with her grandparents, Mr. and Mrs. Charles Seymour.

A little coincidence was notable. There were among the guests the oldest, Henry E., 59 years old; Charles E., 49 years old and Leonard V., the youngest 29 years old. "Uncle" Jarrett Seymour was born near Franklin April 1, 1832, and has lived in Morgan county all his life. Most of the time he followed farming in the southeast part of the county with the exception of some two years when he lived in Modesto. He moved to Jacksonville in 1906 and has lived here ever since.

He has been all his mature life a faithful member of the Methodist church and a member of the Democratic party, though he never took any specially active part in politics. In Modesto he was chairman of the board of trustees and has held the positions of school trustee, road commissioner and others and has always faithfully and honestly discharged all the duties devolving upon him. He has always been a good neighbor, an upright citizen and a respected man, kind in his family, devoted to duty and faithful to his friends and Maker.

In 1854 he was married to Hannah Sturges who was the mother of Henry and Wilbur. She died in 1863 and the following year he was married to Miss Emmaline McCurley who is still living. His children are all living and respect and love their parents as dutiful children should. He also has fourteen grandchildren and sixteen great grandchildren. All his sons are respected citizens of the various communities in which they live and are upright, reliable gentlemen.

Mr. and Mrs. Seymour both enjoy excellent health and bid fair to be with their loved ones for many years to come, something all devoutly hope will be the case.

Charles Crum is here from Denver for a few weeks visit with relatives. He is now a guest at the home of his brother J. A. Crum on West North street.

ILLINOIS RIVER NAVIGABLE FROM LA SALLE TO OTTAWA

Draw Span in Burlington Railroad Bridge at La Salle is Completed.

Peoria, Ill., Feb. 9.—Assistant United States Engineer Fuller in charge of the United States engineering corps, here, announced today that the draw-span in the Burlington railroad bridge at LaSalle had been completed. This means that the Illinois River becomes navigable from LaSalle to Ottawa. It also affords an entrance to the state park at Starved Rock.

The completion of the draw span ends a legal war which has been waged by steamboat men for 25 years. Heretofore excursion steamers from the lower Mississippi to Starved Rock park were forced to land their passengers at LaSalle the balance of the trip being made by rail.

REFUSE TO YIELD TO DEMANDS.

Chicago, Feb. 9.—Members of the Chicago restaurant keepers' association voted tonight to refuse to yield to the demands of the waitresses' unions for a closed shop. A strike has been in progress at one downtown restaurant for several days and the unions have threatened the other cafes unless the closed shop was granted.

SPECULATIVE BOOM OF STANDARD OIL STOCKS IS PUNCTURED

Collapse Follows as Result of Over-
Extended Speculation.

New York, Feb. 9.—The specu-
lative boom in stocks of the Standard
Oil group, which has made life ex-
citing on the curb market for sev-
eral weeks, was punctured today.
Speculators who, on paper had prof-
ited of thousands of dollars were
awakened from dreams of sudden
fortunes as prices tumbled precipi-
tably. Different stocks fell 20 to 100
points below the high level reached
last week on the crest of the wave
of speculation.

Atlantic Refining, one of the
stocks which had been a favorite
among the curb brokers, dropped
107 to 713.

Standard Oil of California was off
40 points from its recent high mark,
Prairie Oil 50; Standard Oil of Ohio,
80; Standard Oil of New York, 30;
and Standard Oil of Indiana, 55.

During the last few weeks prices
of many of these stocks have been
pushed up indiscriminately and, it
has been predicted for some time
that a collapse would follow as the
result of over-extended speculation.

OBITUARY.

Solomon Bull was born in Rox-
boro, Pearson county, North Caro-
lina, March 15, 1832. He was the
son of Moses and Elizabeth (Fuller)
Bull. The family came to Morgan
county in December, 1835, settling
in Hart's Prairie, south of here. Nov.
3, 1855, he married Miss Elizabeth
Seymour and survives him with the
following children: William L., and
Abraham M., of Scottville, John J.,
and Samuel A., of Hart's Prairie,
and Mrs. C. C. Berryman, of Jack-
sonville. One daughter, Mrs. Lewis
Roberts, died some years since. He
is also survived by two sisters, Mrs.
Betty Seymour, of Girard, and Mrs.
Eliza Jett, of Greenville, and one
brother, Madison Bull, of Beards-
town, and 11 grandchildren.

In the prime of life Mr. Bull was
the leading stock dealer and farm-
er of Hart's Prairie, and as such be-
came widely known through that
section and was considered an auth-
ority on matters pertaining to farm-
ing and stock raising. Unassuming
in manner, courteous to all, and of
modest disposition, he was a man
who made friends easily, and re-
tained them. In his business deal-
ings with his fellow men he was
prompt and unfailingly honest, his
word was as good as his bond, and
in the course of thousands of trans-
actions during his business career
he never resorted to the legal courts
to settle a point at issue. Such
men are rare, and in his going away
many of us feel that we have lost a
good neighbor and a true friend.

In religious faith he was a Meth-
odist and served as trustee of the
Hart's Prairie M. E. church and re-
cently expressed his readiness to
meet his Maker. For the last forty
years he had been a member of the
Masonic order.

Ten years ago he retired from
active life on account of failing
health and since then had divided
his residence between the village
and Eureka Springs where his long
and useful earthly life came to an
end Jan. 31, 1914.

Mrs. Bull started home with the
remains Sunday, reaching Waverly
Monday evening. They were taken
to the old family home in Hart's
Prairie now occupied by the son
John.

Funeral services were conducted
from the Hartland church yester-
day morning at 10:30 o'clock in
charge of Rev. Peter Kittel, pasto-
r of Franklin M. E. church and were
largely attended by sorrowing re-
latives and neighbors and friends
who had known and esteemed the
deceased for many years.

Interment was made in the Dal-
ton cemetery near the old home.
The bearers, all members of the M.
sonic order, were John S. Hart, Wm.
R. Wheeler, Ralph Ogg, Jos. Elliott
Henry VanBebber and Wm. Close.

Music was supplied by member
of the Scottville Christian church
choir led by Everett Booker, and
the many floral tributes were cared
for by Misses Lella and Stella Berry-
man, of Jacksonville, granddaugh-
ters of the deceased.—Franklin
Times.

CURTIS OPPOSES INCREASE.

Washington, Feb. 9.—The propos-
al to increase the postal rates or
second class mail—printed matter
—from one cent to two cents a
pound was opposed today before the
house postoffice committee by Cyrus
E. Curtis, president of the Curtis
Publishing Company. Sentiment in
the committee was plainly in favor
of the increase in rates on magaz-
ines and it is probable that a bill
to provide for the increase without
affecting the news rate will soon be
reported to the house.

S. J. TILDEN CENTENARY.

New York, Feb. 9.—The centen-
ary of the birth of Samuel J. Tilden,
the widely known Democratic poli-
tician and candidate for president
of the United States in 1876, was
celebrated in this city today with
exercises under the auspices of the
Samuel J. Tilden Democratic club.
Mr. Tilden was born one hundred
years ago today in the town of New
Canaan, Columbia county, N. Y.
After graduating from the College
of the City of New York he was ad-
mitted to the bar and soon became
one of the leaders of the legal pro-
fession in this city. He served as
a member of the New York general
assembly and as governor of New
York and was instrumental in
bringing about the downfall of
"Boss" Tweed and his followers. He
was nominated for president on the
Democratic ticket in 1876 and at
that election received a plurality of the
popular vote. The electoral vote of
several of the states was contested
and congress appointed an electoral
commission to decide the dispute.
The electoral commission was com-
posed of eight Republicans and seven
Democrats. Its decision favored
Rutherford B. Hayes, the Republi-
can candidate, who was given 185
electoral votes, against 184 for Mr.
Tilden.

CONSIDER GOOD ROADS BILL.

Washington, Feb. 9.—Detailed
consideration of the good roads bill
which the house passed today. Scores
of amendments were offered to the
measure but only one change of im-
portance was made. An amendment
by Representative Keating which
would give each state in the union
a minimum of \$65,000 from the
\$25,000,000 to be appropriated for
federal aid to the state construction
of roads was adopted.
Representative Rorland of Mis-
souri, led a general attack on the
measure insisting that the plan
would not result in increasing the
general stand of roads throughout
the country. He characterized the
bill as a "pork barrel" intended on-
ly to satisfy the demands for aid
from the federal treasury.

LABOR BODIES IN POLITICS.

Oklahoma City, Okla., Feb. 9.—A
series of conferences was commenc-
ed here today by the railroad
brotherhoods and officials of the
Oklahoma State Federation of Labor
to determine what attitude or-
ganized labor shall take in the ap-
proaching state campaign. It is
probable an effort will be made to
pledge candidates for the legislature
to support the full crew bill, the
bill providing for an eight hour
workday for women and other mea-
sures in which the working classes
are especially interested.

tion which will be given at the Hotel
Astor tomorrow night. The din-
ner will be one of the events of the
annual convention of the associa-
tion, which will assemble tomorrow
morning for a two days' session.
Mrs. J. Borden Harriman will be
one of the principal speakers at the
dinner. Mrs. Harriman is the resi-
dent commissioner of the commit-
tee on industrial relations that was
appointed recently by President Wil-
son.

CITY WINS PARTIAL VICTORY IN FIGHT AGAINST BILL BOARDS

One Bill Board Company of St. Louis
Agrees to Remodel Bill Boards to
Conform to Ordinance.

St. Louis, Mo., Feb. 9.—The city
of St. Louis won a partial victory in
its fight with the bill board com-
panies today, when the general man-
ager and the attorney of one of the
largest companies informed the
building commissioner that it would
remodel 250 bill boards in St. Louis
to conform to the city ordinance.

This announcement came after
years of fighting on the part of the
bill board companies to have the or-
dinance set aside or amended. An-
other company which owns a major-
ity of the one thousand bill boards
in St. Louis has not notified the
building commissioner that it would
conform to the ordinance and has
indicated that it will apply to the
federal court for a permanent in-
junction restraining the commission-
er from demolishing its big sign
boards.

Building Commissioner McKelvey
said he would file suits against the
company that has not accepted the
ordinance and against the owners
of property on which its illegal bill-
boards are located.

GORE SUIT TO COME TO TRIAL.

Oklahoma City, Okla., Feb. 9.—
The \$50,000 suit brought by Mrs.
Minnie E. Bond against United
States Senator Thomas P. Gore, the
"blind man eloquent" is docketed
to come up for trial in the dis-
trict court here this week. Few cas-
es in the annals of the Oklahoma
courts have attracted more atten-
tion than has this suit. Mrs. Bond
alleges defamation of character
through an attack she alleged Sena-
tor Gore made on her in Washing-
ton last March. In depositions
made before a justice recently, Mrs.
Bond gave the testimony which
forms the basis of her action. She
testified that she went to Washing-
ton last March, taking the referen-
ces of her husband, Julian R. Bond,
who was an applicant for the office
of internal revenue collector for the
Oklahoma district. Her suit
arises from alleged occurrences con-
nected with an interview with Sena-
tor Gore over the appointment. It
is understood that Senator Gore
will put in a vigorous defense of
the charges made against him and
will endeavor to show that the
whole affair is a plot hatched by his
political enemies to prevent his re-
election to the senate.

ANNOUNCEMENT.

I hereby announce my candidacy
for the Democratic nomination for
Circuit Judge at the primary election
to be held March 24, 1914.

Francis E. Baldwin.

INTERNATIONAL LEAGUE.

New York, Feb. 9.—On the 22nd
anniversary of its first organization
the International Baseball league,
formerly the Eastern league, held
its spring meeting in this city to-
day to formally adopt the playing
schedule and complete other ar-
rangements in preparation for the
opening of the season. President
Barrow presided. Practically all
of the officials and club owners are
expected to remain over tomorrow
to meet the major league magnates
and confer on the general situation
with regard to the opposition of
the Federal league. The Interna-
tional is more directly concerned in
the threatened baseball war than
any of the minor organizations,
since three of the cities on its cir-
cuit, Buffalo, Baltimore and Toron-
to, will have to meet the opposition
of the so-called outlaw league.

DEMOCRAT EXPECTED TO WIN.

Davenport, Iowa, Feb. 9.—Much
interest is manifested in the special
election to be held in the Second
congressional district of Iowa to-
morrow to fill the vacancy caused by
the death of Representative L. S.
Pepper. It is generally predicted
that Henry Vollmar, the Democratic
nominee, will win by a large major-
ity. W. E. Hayes of Clinton was
selected as the Republican nominee,
but decided to accept the nomina-
tion. His withdrawal left Charles
P. Hanley of Muscatine, the nomi-
nee of the Progressive party, the
only candidate to oppose Mr. Voll-
mar. As the district has been heav-
ily Democratic in the elections of
the past few years it is predicted
that Mr. Vollmar will be elected by
a large majority.

NEW PRESIDENT OF

GOUCHER COLLEGE.

Baltimore, Md., Feb. 9.—In the
presence of a large assembly of edu-
cators from various parts of the
United States, Dr. William Wesley
Guth today received the keys and
charter of Goucher college, and by
his acceptance of those symbols be-
came the president of that well
known Methodist Episcopal institu-
tion of learning. The exercises of
Dr. Guth's induction into the presi-
dency of the college were of the
most dignified character and were
impressive in their simplicity. In
the forenoon preceding the installa-
tion ceremonies, exercises were held
in celebration of the 25th anniver-
sary of the founding of the college.
The exercises were presided over by
Bishop Earl Cranston.

TO VOTE ON CHARTER.

Detroit, Mich., Feb. 9.—A special
election will be held here tomorrow
for the purpose of determining
whether the new charter drawn up
for the city of Detroit shall be
adopted. The new charter is design-
ed to bring to the city of Detroit
the first fruits of the municipal
home rule. It provided for the
lengthening of the term of office
of the mayor and other elective city
officials to four years, holding the
elections in the spring to keep them
free from state and national cam-
paigns; and the choice of officials by
means of non-partisan, preferential
ballot. The charter also gives the
people the power of recall in case
of the officials fail to deliver satis-
factory service.

Meter Inspector at oWrk in Illinois
Cities.

A man who represents himself to
be a meter inspector has been work-
ing in various cities. The Danville
Commercial News in speaking of the
matter says:

"Beware of a small-like dark man
purporting to be a state meter in-
spector! This warning was given by
the Danville Gas & Electric Light
Company. A similar warning is giv-
en by the police.

"In Peoria and other cities in
the state pseudo inspectors have vis-
ited homes just prior to a burglary.
A pseudo inspector has paid visits
to a number of homes here, but no
burglaries have as yet been report-
ed. However at two places the bogus
inspector has ruined measuring
devices which had been installed
by the company. The warning is
given for the purpose of preventing
further wreckage of meters.

"The inspector (?) who worked
here visited the home of Mrs. U.
B. Lientz, 320 Hazel street, Albert
Leins, 118 West Main street, Har-
vey Weintraub, Perryville avenue
and several other places. At the
Leins and Weintraub homes the in-
spector also looked at the wiring,
this taking him through the entire
building. He also wanted to look
about the Lientz home, but Mrs.
Leintz insisted that he confine his
work to the meter in the cellar.
When he had finished the meter re-
fused to work. An investigation
showed the meter broken and the
hands which record the amount of
gas used twisted and warped.

The man purported to be a state
inspector. There never has been a
state meter inspector. Nor can a
man carry with him the necessary
testing device for trying out a gas
meter. The device used for ascer-
taining whether the gas meters are
recording truly weighs slightly more
than 1,500 pounds and could not
be carried in the coat pocket, where
the pseudo inspector carried his
tools."

of," writes Frank Strouse, Fruit-

HIGHER PRICES FOR STOCKS IN LONDON STIMULATE MARKET

Effect of Rise Abroad Is Height-
ened by Free Buying for
Foreign Account—Copper
Shares Rise Sharply.

(By Associated Press.)

NEW YORK, Feb. 9.—Higher
prices for American stocks in Lon-
don stimulated the home market at
the opening today. The effect of the
rise abroad was heightened by free
buying here particularly of steel for
foreign account. On the early trans-
actions moderate gains were made
by most of the representative shares.
Traders swung over to the long side
in the belief that an upturn was
due after the slow reaction of last
week.

Shorts who attempted to cover
found the supply of stocks scarce
and were compelled to raise their
bids. There was a steady investi-
gation inquiry although the demand
was not as large as recently. The
market held firm for a time but
eventually weakened and gains were
eliminated.

Renewed weakness of a few
stocks affected the general market
and was primarily responsible for
checking the upturn. Rock Island
issues added other marks to their
succession of low records recently.
The copper producers' monthly
report made an unexpectedly good
showing supplies of the metal hav-
ing decreased over 4,000,000
pounds. Copper shares rose sharp-
ly.

The total of gold sent to France
on the present movement was
brought up to 10,000,000 by engage-
ment today of an additional \$2-
000 for export.

PLAN TO OPEN UP COAL LANDS THROUGH LEASING SYSTEM

Representative Ferris Proposes Plan to Open Up Alaskan Fields For Development.

Washington, Feb. 9.—A plan to open up the coal lands of Alaska through a leasing system was proposed in a bill introduced in the house today by Representative Ferris of Oklahoma as a part of the administration program for the development of the resources of the territory.

The bill was the result of conferences between Secretary Lane of the interior department and members of the house and senate public lands committee held for several weeks.

The measure will allow the secretary of interior to lease for private development the government coal lands in Alaska in blocks of forty acres, or multiples thereof up to 250 acres. No single developer would be allowed to take up more than 2,650 acres and no claims aggregating more than that amount could be combined under penalty of forfeiture. Stringent provisions against possible combination for control of the lands would impose jail sentence of three years and a fine as the penalty for joint ownership of more than the prescribed allotment.

The leases would be indefinite in term dependent upon the workings of the mine, but the secretary would be allowed to alter the condition of the lease every twenty years. The fund secured by these leases would be applied to the "development improvement and betterment of the territory of Alaska," particularly to the building of the government railroad planned in the bill which has already passed the senate and is now pending in the house.

EIGHTIETH BIRTHDAY FITTINGLY OBSERVED.

Friends and Relatives of Mrs. Nancy Wilson Join in Paying Her Honors.

A very pleasant birthday celebration was that of Mrs. Nancy Wilson whose devoted relatives and friends helped her observe her eightieth anniversary Sunday at the home of her son-in-law, Ira M. Mapes, 1115 North Diamond street.

The day was most happily spent by all present and the dear old lady in whose honor the people had gathered was delighted with the tokens of love and esteem bestowed upon her. A fine dinner was enjoyed by all and this was largely to the culinary skill of Mr. Mapes' sister and housekeeper, Mrs. Higgins, his wife having died several years ago. The entire day was one of pleasure and will long be remembered by all present.

The guests were Mr. Mapes' son Otis and wife of Beardstown; Mr. Mapes' daughter, Mrs. Bessie Bacon and daughter of Murrayville and another daughter, Mrs. Hazel Goodall residing on North West street.

Mrs. Wilson, whose maiden name was Williamson, came here from Kentucky when a child and her parents settled in the Ebenezer neighborhood and since that time she has lived in the county. She was married in early young womanhood and led a happy life with her husband till he was removed by death thirty years ago since which time she has found a pleasant home with Mr. Mapes and wife who was her daughter and passed away a few years ago. Her brothers, John, James and Samuel Williamson and her sisters, Mrs. Mary Deaton of Greenview and Mrs. Elizabeth James of Ft. Scott, Kansas are dead. One sister, Mrs. Whittaker of Roodhouse, survives but she is an invalid and was unable to be present.

Mrs. Wilson enjoys very good health and is active for one of her years. She has been almost a life-long member of Ebenezer church and has two fellow members, Edmund Blackburn whose 80th birthday was celebrated in September last and John Jordan who was 80 years old in January.

LITERBERRY.

Those who absented themselves from Sunday school at the Baptist church on Sunday morning missed a good thing; we had a good school. In the first place, we had a new chorister and good singing. In the second place, we had a good lesson well taught, with an interesting review, conducted by C. A. Beavers. Next we had a reading by W. E. Murray; this reading was given as a response to the superintendent, who, on the previous Sunday, requested "something special" from the men's class; Mr. Murray chose a good subject, "The Christian's Tasks" and read it well. The new chorister then led us in a closing song and we were dismissed.

UNFORTUNATE ACCIDENT.

Sunday afternoon little Ruth Jordan, 326 West North street, had the misfortune to fall on the ice and break one of the bones of her right leg just above the ankle. Dr. P. C. Thompson was called and gave the little eleven year old sufferer all needed attention and she is doing as well as could be expected though she endures a considerable amount of pain from the injury.

SEATTLE AUTOMOBILE SHOW.

Seattle, Wash., Feb. 9.—The second annual exhibition of the Seattle Automobile Dealers' association, which opened in the National Guard armory today for an engagement of one week, is of the largest and most representative shows of motor vehicles ever held in the northwest. Several score of completed cars representing fifty different makes are included in the display, together with many exhibits of automobile parts and accessories.

RUB PAIN FROM BACK ALL BACKACHE GONE

Rub Backache and Lumbago Right Out With a Small Trial Bottle of Old St. Jacobs Oil.

Ah! Pain is gone! Quickly?—Yes. Almost instant relief from soreness, stiffness, lameness and pain follows a gentle rubbing with "St. Jacobs Oil."

Apply this soothing, penetrating oil directly upon the ache, and like magic, relief comes. "St. Jacobs Oil" is a harmless backache, lumbago and sciatica cure which never disappoints and doesn't burn the skin.

Straighten up! Quit complaining! Stop those torturous "stitches." In a moment you will forget that you ever had a back, because it won't hurt or be stiff or lame. Don't suffer! Get a small trial bottle of "St. Jacobs Oil" from your druggist now and get this lasting relief.

MI-O-NA QUICKLY ENDS INDIGESTION.

Do not continue to suffer with indigestion or dyspepsia causing heartburn, dizziness, after-dinner distress, headache, biliousness, pain in the bowels, or sour and gassy stomach. Get effective and lasting relief at once. Buy from any druggist today—a fifty cent box of Mi-o-na Tablets. They quickly and surely end indigestion and stomach distress—are pleasant to take and perfectly harmless.

Mi-o-na is one of the most dependable remedies for disordered stomachs. It heals the sore and inflamed membranes and is not only a digestive and antacid giving prompt and effective relief, but is a tonic that tones up and strengthens the entire digestive system—the flow of gastric juices is increased, then the food is properly digested and assimilated—you enjoy robust health.

Why suffer stomach distress another hour? It is not only needless but may be dangerous—many serious diseases are the result of neglected stomach ills.

Do not delay—get a box of Mi-o-na today, take them as directed, and if you are not entirely satisfied with results—money refunded.—Adv.

NOT TEA BREAKS A COLD—TRY THIS

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tea," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also cools the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable.

VALUE OF RHEUMA FROM THE COURT

Judge Barhorst Was Relieved of Rheumatism After Doctors Failed.

If you have tried many other remedies and doctors' treatments for rheumatism and found they failed, do not be skeptical about trying RHEUMA. Read the testimony of Judge John Barhorst of Fort Larned, O.:

"After treatment by three doctors without result, I have been cured of a very bad case of Rheumatism by using two bottles of RHEUMA. It is now two years since I used the remedy and I am still as well as ever. Previously I was a cripple, walking with crutches."

Such testimony should be convincing. 50 cents a bottle at all druggists.—Adv.

DID CHILD WAKE UP CROSS OR FEVERISH?

Look Mother! If tongue is coated give "California Syrup of Figs" to clean the bowels.

Mother! Your child isn't naturally cross and peevish. See if the tongue is coated; this is a sure sign of a little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat sleep or act naturally, has stomach ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the California Fig Syrup Company. Counterfeits are being sold here. Don't be fooled!—Adv.

QUICK RELIEF FOR RHEUMATISM.

George W. Koon, Lawton, Mich., says: "Dr. Detchon's Relief for Rheumatism has given my wife wonderful benefit for rheumatism. She could not lift hand or foot, had to be lifted for two months. She began the use of the remedy and improved rapidly. On Monday she could not move and on Wednesday she got up, dressed herself and walked out for breakfast." Sold by L. P. Allcott, druggist.—Adv.

COMPLETE REORGANIZATION IN CANAL ZONE IS BEGUN

Subsistence and Commissary Departments Will Be Placed on Permanent Organization Basis.

Panama, Feb. 9.—Complete reorganization of the subsistence and commissary departments in the canal zone with Captain Frank O. Whitlock, U. S. cavalry in charge, was begun today after Col. George W. Goethals, chairman of the Panama canal commission had suspended John Burke, manager of the commissary department, and W. F. Shipley, chief clerk of the subsistence department and had relieved from duty Lieut. Col. Eugene T. Wilson, chief of the subsistence department at his own request. Both departments will be placed on a permanent organization basis immediately and as a result many clerks will be dismissed. Col. Goethals took action against these officials on the receipt of the report of special agent Nye who had investigated the charges against Burke that he had accepted gratuities in connection with the purchase of supplies. Colonel Goethals declared the investigation would be vigorously pushed.

In announcing his decision Col. Goethals read a list of the deposits made by Burke and of the properties purchased by Burke, during his term as manager of the department, aggregating many thousands of dollars and said he would give him every opportunity to show his innocence in the transactions whereby Luria and company of Hamburg deposited \$5,866; J. L. Salas of Colon deposited \$5,000 and company of New York \$2,000 to his credit in Indianapolis banks.

POST OFFICE CLERKS IN MONTHLY MEETING

Vote Substantial Appropriation to Aid in Fight for Sabbath Observance.

The regular monthly meeting of Jacksonville Branch No. 854 United National Association of Post Office Clerks held Monday night was a very enjoyable and enthusiastic gathering.

A substantial appropriation was made to the Lord's Day Alliance of the United States to assist them in their nation wide campaign for the observance of the Sabbath.

A vote of thanks was tendered member Edwin D. Herald for generously treating the members to an oyster supper which was greatly enjoyed.

The local branch is an auxiliary of the Illinois State Branch and the national association with its great army of post office clerks from Maine to California and from the great lakes to the gulf.

The object of the association briefly, is to unite fraternally all post office clerks and to improve the efficiency of the postal service.

CROSS ROADS.

Mr. and Mrs. Carl Hembrough were calling on Jacksonville friends last Friday.

The Newman sale was very largely attended last Tuesday. Mr. Newman moved his household goods to Woodson where he will make his future home.

Wilbur Hembrough made a business trip to St. Louis last week and brought back two car loads of cattle.

Mrs. Remus Loyd, formerly Miss Mattie Holmes is spending a few weeks with her parent, Mr. and Mrs. O. B. Holmes and the first of April will go to California to meet her husband who is there now. They will make their home in that state.

Mr. O. B. Holmes, one mile north of Cross Roads has been seriously ill for the past three weeks. Mr. Holmes was very serious Saturday and all the children were called at his bedside. Albert of Chicago, came in Saturday evening. He is some better at this writing and we hope will continue so.

Misses Minnie and Annah Hembrough spent Sunday with their parents Mr. and Mrs. J. D. Hembrough. There is just one wolf left and it was shot at in the Asbury neighborhood last Wednesday.

CLEANING UP BEGINS.

Washington, Feb. 9.—Cleaning up the national capital, as one of the consequences of President Wilson's signing of the Kenyon bill begun in earnest today with a campaign for police supervision of moving picture shows, Chinese restaurants, apartment houses and low amusement resorts. Managers of higher class cafes and amusement resorts are co-operating with the authorities.

WOMAN DELIVERS ADDRESS.

Iowa City, Iowa, Feb. 9.—At the 58th convocation exercises of the state university of Iowa today the address of the graduates was delivered by Miss Anna M. Klingenhagen, dean of the woman's school of the university. It was the first time in the history of the university that the honor of delivering the convocation address was bestowed upon a woman.

ARMY OFFICER TRANSFERRED.

A. T. Hart, an army officer of the Ordnance department passed through the city Sunday enroute to San Antonio, Texas, where he was ordered by the War department, being transferred from Buffalo, N. Y. Mrs. Hart stopped off in Jacksonville for a few days visit with her brothers Charles and Edward D. Herald and families.

HORSE IS HIT BY CAR.

Sunday evening at 10:30, when Charles "Tinker" Stewart a colored cabman was returning from the C. & A., his horse stumbled and fell a short distance in front of an approaching east-bound car. The car did not have time to stop, apparently, and ran into the prostrate animal, inflicting injuries to its breast and head which will keep it out of harness for two or three weeks.

WILL LOCATE OFFICES IN SCOTT BUILDING

William F. Gilman, district manager for the Central Illinois Public Service Corporation, has secured rooms in the Scott Block on West State street for the location of the company offices. These offices, it is understood, will occupy five rooms of the building. Shipments of furniture and equipment arrived yesterday and the rooms will in all probability be fitted up by the last of the week.

Colds and Croup in Children.

Many people rely upon Chamberlain's Cough Remedy implicitly in cases of colds and croup, and it never disappoints them. Mrs. E. H. Thomas, Logansport, Ind., writes: "I have found Chamberlain's Cough Remedy to be the best medicine for colds and croup I have ever used, and never tire of recommending it to my neighbors and friends. I have always given it to my children when suffering from croup, and it has never failed to give them prompt relief." For sale by all dealers.—Adv.

WEAK, WEARY WOMEN.

Learn the Cause of Daily Woes and End Them.

When the back aches and throbs, When housework is torture, When night brings no rest nor sleep, When urinary disorders set in, Women's lot is a weary one. Doan's Kidney Pills are for weak kidneys. Have proved their worth in Jacksonville.

This is one Jacksonville woman's testimony.

Mrs. A. Taylor, 680 South West street, Jacksonville, Ill., says: "In view of my experience with Doan's Kidney Pills, I can recommend them for kidney complaint. I took this remedy for trouble with the kidney secretions and attacks of backache. I was relieved in a short time."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

The Return of Blood Eruptions

No Reason Why Anyone Should Suffer Such Disheartening Experience.

No case of poisoned blood is ever cured until the last destructive germ has been eliminated from the system. And the only remedy that is assimilated in the tissues and stimulates cellular activity to overcome harmful germs is the famous blood purifier, S. S. S.

The skin is but a fine network of tiny blood vessels, and the specific action of S. S. S. is declared by eminent authorities to be a pronounced stimulation of the activity of these cells.

The reason for this is in the peculiar action of S. S. S. which enables the cells in the skin to select from the blood the nutrient it requires for regeneration.

Not only this, but if from the presence of some disturbing poison there is a local or general interference of nutrition to cause boils, carbuncles, abscesses and kidney troubles, S. S. S. so directs the local cells that the poison is rejected and eliminated from their presence.

This fact has been demonstrated year in and year out in a wonderful number of cases of severe skin eruptions that had seemed to be incurable.

You can obtain S. S. S. at any well stocked drug store, if you insist upon it, but be sure you are not talked into something "just as good."

S. S. S. is prepared by the Swift Specific Co., 215 Swift Bldg., Atlanta, Ga.

COMBINED MILITIAS

TO PLAY WAR GAME

Maneuvers Covering Four States Will Be Played This Summer in Middle West—Thousands of Soldiers from Regulars Also to Participate.

Members of the Illinois National guard in Jacksonville are greatly interested in the following concerning some great war maneuvers which are planned for the coming summer. The story was sent out with a Chicago date line.

"A huge war game covering four states will be played this summer in the middle west. Gen. A. L. Mills, detailed from the regular army as chief of the division of militia affairs has announced the plans for the campaign of the two contending armies.

"The combined militia forces of Illinois, Ohio, Michigan and Indiana will be engaged in the campaign. Several thousand soldiers from the regular army will also take part.

"The eleventh militia division, comprising the national guards of Ohio and Michigan and a regiment or two of regulars, will be the Red army. It will mobilize at or near Detroit, Mich., and march from there in full war regalia toward Fort Ben Harrison, near Indianapolis, Ind. Fort Ben Harrison will be defended by the Blue army, comprising the national guards of Indiana and Illinois, known as the twelfth militia division, and a regiment or two of regular soldiers.

"Officers To Perfect Plans. "The course to be taken from Detroit, which is expected to be through a 'hostile' country, will be left entirely to the initiative and originality of the officers commanding the attacking forces of the Reds, echeloned 'T' dfl g123456.66.

"The officers of the Blue army also may make as many movements known to military strategy as they choose. But the actions and management of each of the armies will be followed closely by scores of judges and watchers from the regular army. These judges decide in what manner each movement of the two armies would react on them if a state of war actually did exist.

"If one of the armies is so exposed that an enemy in time of war could deal it a fatal blow, the army, or such part of it as is exposed, instantly will be eliminated from further warfare in the mimic campaign as if it had been in fact destroyed.

"May Use Aeroplanes. "The Red army theoretically will be an invader of the United States, crossing the Canadian border at Detroit. It is probable that the defending army will send out forces theoretically to ravage the country in front of the advancing army. These forces probably of cavalry, will have to be alert in order that they may not be caught by the enemy. It is probable aeroplanes will be used by both armies and experiments may be made in the scope of aerial warfare."

SPECIAL FOR TODAY
LOGANBERRY PIE
IDEAL BAKERY, STATE ST.

AT THE GRAND.

Theatre goers who take delight in spectacular features and things out of the ordinary found real satisfaction Monday evening in the performance of Kelly Bros., who appeared at the Grand with their inimitable one ring circus. There were acrobats, daring equestrians and tight wire walkers, for those who love the thrill of danger and clowns of all shapes, sizes and colors for those who dearly love a joke. Geo. Brown's acrobatic dogs kept people guessing what they would do next and Dan Kelly "the funniest of all clowns" had the house with him from the start. Altogether it was a very creditable performance with nothing cheap about it and chuck-full of fun from beginning to end.

TWO FIRE ALARMS.

The fire department was called Sunday afternoon to the residence of James M. Summers, the northeast corner of Franklin and East streets. A burning fire was the cause of the alarm and no damage was done. Sunday evening a burning fire at the residence of J. W. Breckon on North Church street was the occasion of another call of the fire department.

AMES ROBERT STICE

SUMMONED BY DEATH

Passes Away at Home Monday Morning After Long Illness—Funeral Thursday Afternoon—Was Well Known Merchant.

James Robert Stice passed away Monday morning at 8:30 o'clock at his home on the Mound road, after an illness of three years or more. Mr. Stice was at one time one of the leading merchants of Jacksonville and was held in universal high esteem for his qualities as a citizen, a man, and a Christian. He is the possessor of a large number of friends who will mourn his sudden though not unexpected passing and has won at all times the best respect of all those with which he came in contact. Although in very bad health he was able to be about the house and ate breakfast with the family Monday morning, little suspecting that death was so near. His death was brought on by heart trouble.

The deceased was born near Prentice, Ill., Nov. 24, 1852, the son of William M. and Susanna Robinson Stice. Nov. 13, 1877 he was united in marriage to Margaret Alice Coons of New Berlin. He is survived by Mrs. Stice and two sons, Robert L. and Roland L., both of this city. The brothers and sisters who survive him are: William H. of Santa Ana, Cal.; George L. of Sinclair; Joseph E. Stice of Jacksonville; David M. Stice of Lone Tree, Mo.; John W. Stice of Prentice and Mrs. William Taylor of Tacoma, Wash. Mr. Stice has been all his life a resident of Morgan county and has resided in Jacksonville since 1886.

Mr. Stice was a member of Central Christian church and was known always as a faithful and trustworthy member. He was affiliated also with the Modern Woodmen of America. His career as a merchant dates from 1890 when he acquired a clear business on West State street. In 1893 he formed a partnership with W. J. Garland and H. J. Brook and engaged in the clothing business which he followed until 1910 when he retired from mercantile life on account of failing health. The name of his firm was at first Garland, Brook & Stice and later Brook & Stice. Since retiring from the clothing business, Mr. Stice has resided on his farm immediately west of the city on the Mound road.

Besides his ability as a merchant he was renowned for his skill as a marksman, obtaining at one time the title of champion wing shot of the United States. For the first few years of his residence in Jacksonville Mr. Stice devoted his time to business connected with his marksmanship. In 1890 he toured the United States with a company of expert trap shooters under the direction of the United Cartridge Co. There were two teams, the eastern, and western to which Mr. Stice belonged.

The funeral will be held Thursday afternoon at 2:00 o'clock and interment will be made in Diamond Grove cemetery. Rev. Clyde Darsie, pastor of the church, will have charge of the services.

Come to the Cafeteria Supper followed by musical tableaux, Westminster church, Thursday, Feb. 12, supper begins at 5:30.

Mr. McGhee, pastor of the Methodist church. The funeral was attended by Mrs. A. W. Compton of New York, daughter in law of the deceased and Mrs. E. DeWitt of Case avenue, this city, a daughter of Mr. Compton. Mrs. A. W. Compton is visiting her father and family on Morton avenue.

BIRTHDAY SOCIAL HELD

The birthday social of Westminster ladies was held Monday afternoon at the home of Mrs. R. C. Reynolds of West College avenue, and proved a pleasant occasion. The hostesses were Mrs. Reynolds, Mrs. W. T. Brown and Mrs. Franklin Gear. The decorations were in heart forms in honor of the near approach of St. Valentine's day and the refreshments were in accord. There was a large attendance of ladies of the church and congregation.

MORTUARY

Webster.
Mrs. Jed Webster died Monday afternoon at 12:30 o'clock at the family residence in Merritt, having been ill for a long time. Her maiden name was Miss Emma Crabb and she was born in Pickaway county, Ohio, November 12, 1860. She came to Scott county with her parents in 1876. In 1878 she was married to Jed Webster and since that time the family had lived in and about Merritt. They were parents of five children, two of whom are living, Jessie Webster of Jacksonville and Roy of Youngstown, Ill. She also leaves six brothers, George Crabb residing here and the others in Ohio and also two sisters.

The funeral will be held Wednesday morning at 11 o'clock from the family residence, in charge of Rev. Verne Mitchell. Interment will be made in the Gillham cemetery.

Arundel.
J. E. Arundel, a well known citizen of Scott county, who suffered a severe injury to his head as the result of a fall Saturday morning, died Sunday morning at 7:15 o'clock, at the family residence in Bluffs. It was not known when he first fell that he had a fractured skull. He was a native of England, being 59 years of age at the time of his death. He came to this country when a youth and for a great many years was in the livery business in Bluffs. He was a member of the Masonic lodge of Bluffs, of the Royal Arch Chapter at Meredosia and Hospitalier Commandery, Knights Templar, of this city. He is survived by his wife and two sons, Walter and Squire.

Funeral services will be conducted today from the M. P. church in Bluffs, by Rev. A. J. Green. The Masons will have charge of the exercises at the grave.

Mounts.
Louis Turk Mounts passed away Monday morning at 3 o'clock at his residence, 505 South West street, from diseases incident to old age. Mr. Mounts was born in Kentucky, October 1825, and had been a resident of Illinois the past twelve years. The children who survive him are John Mounts of Zion City, George of Bloomington, Thomas of East Independence avenue, Sherman of Oak street, Mrs. Lula Nevills of Springfield, Emma Florence Mounts of Ashland avenue and Mary Richards of Allen avenue.

Mr. Mounts followed the occupation of gardener as long as he was able to work and was among the best esteemed colored men in the community. He was married to Miss Sarah Jane Humphrey who died several years ago. He was a member of the Second Christian church and was a man well respected by his friends and neighbors.

The funeral will be held from the Second Christian church Wednesday afternoon at 2:00 o'clock and interment will be made in East cemetery. The pastor of the church, the

Rev. E. M. Harliss, will have charge of the ceremonies.

Jackson.
Edwin D. Jackson Sr., passed away Sunday evening at 7:30 o'clock at the family residence, 832 South Clay avenue, at the age of 61 years. His illness covered a period of over two months and some four weeks ago he was brought home from Indianapolis where he had been working. He was suffering from paralysis and his condition had been quite serious for the past few days. His symptoms were such Saturday that the attending physician held out little hopes of his recovery and he passed away at an early morning hour Sunday.

Mr. Jackson had practically spent his entire life in Jacksonville, except for six years he resided in southern Illinois and the past twelve months he had been conducting a store in Indianapolis, Ind. When Centenary M. E. church was known as the old East Charge, Mr. Jackson united with that denomination, and has ever been a faithful attendant taking an active part in the various departments of the church. When a young man he was employed as an attendant at the Jacksonville State Hospital and under the administration of Governor Yates was employed as a farmer at the hospital. He once drove on the street car line when horses were used and later was employed by two of the local express companies.

He was a man of happy disposition and industrious habits. He was known for his honest, upright life and no one ever wanted help that Mr. Jackson did not in some way lend assistance. He was a kind neighbor and a good father and his place will be greatly missed in the home and in the wide circle of his acquaintance. For over forty years he had been a member of the Odd Fellows belonging to Illini No. 4. He was one of the organizers of the M. P. L. lodge No. 455 of this city and for several years was its president. He also had membership in the Order of Owls.

Mr. Jackson was born in this city July 15, 1852, being a son of Mr. and Mrs. Alfred Jackson. He married Miss Flora Belle Stout, Sept. 24, 1878 and she preceded him in death, July 16, 1912. The following children survive: Edwin D. Jr., of Chicago; Milton of Mattoon; Alfred of Decatur; Mrs. Lillie M. Matthew of Virginia and Miss Flora E. Jackson at home. He leaves also one sister, Miss Mercy Jackson of 832 South Clay avenue and one daughter, Helen Bernice Jackson of Mattoon.

The funeral will be conducted at 2:30 o'clock Wednesday morning from the residence, 832 South Clay avenue in charge of Rev. G. W. Flagg and Rev. P. A. McCarty. Interment will be made in the Jacksonville cemetery.

FENTON M. FOX DIES

AT HOME IN NORMAL

Was Brother of J. G. Fox of This City and Deceased Formerly Lived at Pleasant Plains—Burial at Farmingdale.

The following telegram to the Journal last night tells of the death of Fenton M. Fox, a brother of J. G. Fox of 225 Caldwell street, Bloomington, Ills., Feb. 9.—Fenton M. Fox, formerly of Pleasant Plains passed away at his home in Normal, Illinois, last evening after a lingering illness.

He is survived by his wife, formerly Miss Collista P. Watts, and his daughter, Mrs. John Anthony, of Pleasant Plains, also one sister, Mrs. J. F. Williamson of Virginia, Illinois, and two brothers, J. G. Fox of Jacksonville and L. L. Fox of Canton, Ills.

The body will be brought to Farmingdale for interment Thursday afternoon.

Miss Hattie Pires, of Sandusky street, left Monday afternoon for Jackson, Tenn., where she will represent the Maiden Lectures.

BIRTH RECORD.

Born to Mr. and Mrs. Mart Decker of Litterberry, Saturday night, a 9 pound son.

Miss Eula Hamilton of Carrollton, who has been spending a few days with Miss Carmen Sisson, bookkeeper for Franks' Cigar Company, returned to her home Monday.

EXPERT AT WORK CONNECTING REGULATORS AT LIGHT PLANT

Wires in All Four Wards, Were Tested Yesterday and Current From New Dynamo Was Sent to Tungsten Lamps.

O. N. Reid, expert electrician for Fairbanks, Morse & Co., and S. H. Leath, a representative of the company are here to connect up the regulators with the switch board at the city light plant. While all the work has not yet been completed, Mr. Reid was able to test out the connections in all four wards yesterday.

During the afternoon all the new Tungsten lamps in the second and fourth wards were lighted for about an hour and people were wondering if the rejuvenated plant was going to supply lights both day and night. Several hours later a like test was made in the first and third wards and everything was found in excellent shape.

It goes without saying that city officials were feeling mighty good yesterday afternoon when the generator and engine purchased in the east at half their original cost were running connected with the lighting system and supply the current for the street lamps. When the work is done it will be possible to light the streets from this engine and generator or to pump with it. It seems that the recent plant improvements have been well planned.

Kik Gloves that can be washed with soap without injury are shown in Tomlinson's window.

GATES TO SELL PRODUCE OF PROPOSED ICE PLANT.

W. B. Miser stated yesterday that his plans for the establishment of an ice plant here are not wholly completed but that the plant will be erected this season if the machinery can be secured in time to have it in operation by June 15. Otherwise construction will be postponed for one year. It was announced by Mr. Miser that the company will sell only in a wholesale way and that the R. A. Gates Fuel & Ice Co. will handle the retail business.

KEEPS HEAVY HORSES ONLY.

In a story published Sunday morning about J. W. Arnold's big barn mention was made erroneously that he intends to keep thoroughbred horses. As a matter of fact Mr. Arnold is raising registered Percheron stock. The Journal reporter knew the kind of horses Mr. Arnold has but was not well enough versed in "horsemanship" to understand that a thoroughbred means a running horse.

TO GIVE PLAY.

The Rebekah lodge of Murrayville is planning to give a play, "Phyllis' Inheritance" in Carlson's hall Thursday night.
